

Setting Up the Canvas Parent App

Setting up your Canvas Parent app on your smartphone is straight forward and easy. Just follow these four steps exactly:

Step 1:

From the App Store (iPhone) or Play Store (Android), install the *Canvas Parent* app by Instructure, but do not open the app yet.

Step 2:

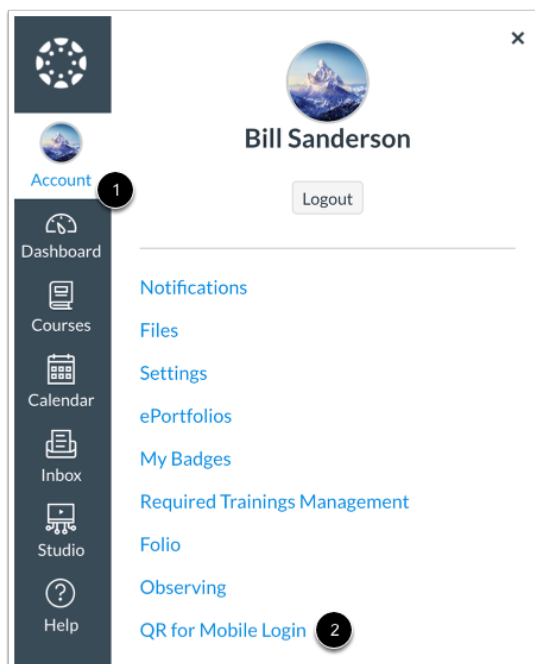

Using a web browser on your computer, login to your Canvas parent account by going to <http://summit.school/canvas/> and clicking on *LOGIN AS PARENT*. In the following screen, provide your *Login* and *Password*.

Step 3:

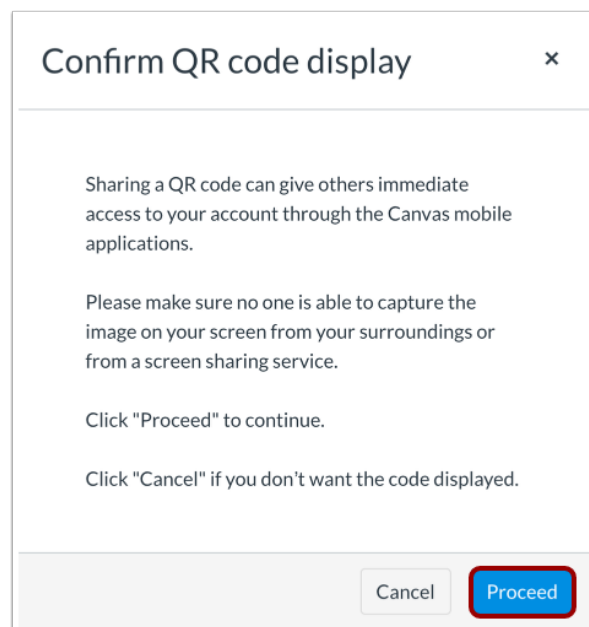

Locate and view your Canvas parent login QR code in your browser.

Note: QR codes should be kept as confidential as passwords.

In Global Navigation, click the *Account* link [1], then click the *QR for Mobile Login* link [2], as shown here:

To display your mobile login QR code, click the Proceed button, as shown here:

QR for Mobile Login

To log in to your Canvas account when you're on the go, scan this QR code from any Canvas mobile app.

This code expires in 10 minutes.

Note: Mobile login QR codes expire 10 minutes after they are generated.

Step 4:

Open the *Canvas Parent* app on your smartphone and click on *QR Code*. You will find review instructions as shown above. Click on the *NEXT* link (upper right). Scan this QR code with your mobile device to log in to the Canvas Parent app without entering your institution URL and user credentials.
