

Senior Parking Spot Painting 2021-2022

Summit Christian Academy is allowing senior students to paint their own parking spot in a designated area for the upcoming school year. This is an opportunity to show your school pride and senior pride with quality artwork. **Please thoroughly read the entire packet if you wish to paint a parking spot.**

SENIOR SUNRISE will take place on August 9th at 6:00am at the Summit high school. We will watch the sunrise then proceed to paint parking spaces. Students that decide to not paint a parking space are encouraged to still attend the sunrise. *If you are painting, please wear clothes that can get paint on them to the senior sunrise.

COST:

To receive a senior parking spot for painting you must bring \$30 to the senior sunrise on August 9th. You will not be allowed to paint if you do not bring \$30. Funds raised will be given to Student Council for future events.

DESIGN CRITERIA:

Email Mr. White kwhite@summit.school a *color* picture of your design by August 4th to be approved. This can be a picture online that you are going to copy or a drawing. The design must be done in color and must represent exactly what will be painted on your parking space.

The following will be prohibited for the designs:

- No offensive language, pictures, or symbols
- No negative or rude language
- No inappropriate content
- The reserving student's name is the **ONLY** name/ initials that will be allowed to be painted on the spot

*If you paint any prohibited items or your parking space does not match the design you had approved, your space will be painted over, you may face disciplinary actions, and you may forfeit your parking space with no refund.

QUALITY:

This is an opportunity to make artwork, show your Summit pride, and make a good representation of the school. If you are lacking the artistic abilities to make your parking space look nice, bring in family, friends, or preferably an artistic student that is not a senior to help. You will be required to leave 4 inches between the parking space lines and the artwork. You will use a measuring tape and painter's tape for this.

*If you paint your design in a sloppy, careless manner, your space may be painted over in black.
